NEWS REVIEW.

Jumble Sale - Congratulations and thanks to everyone who either helped on the day or donated items for the Group's annual jumble sale which was held in Headingley Community Centre on the 30th of September. As occurs every year, the punters were queuing before the doors opened. A grand total of **£225** was raised which will go towards subsidising further Support Group events.

Group's Finances - The financial position of the Group is very healthy. The bank balance as at the end of October is £557.50. In addition, the account is with the Bradford & Bingley Building Society and qualifies for a payout of probably around £600 plus when the Society converts to a bank. Again, all monies received are for the benefit of the Group as a whole.

Day trips. - The Group held five day trips during the year. Venues were York, Windermere, Blackpool, The Dales, and Bridlington. Who could forget the picnic in wind and rain on the roundabout at Blackpool!

Careers. - Sharon Phillips was invited to be on the interview panel to choose the manager for Ward 36 at the Roundhay Wing.

Andy Atkins is now working with the Sector 10 team based at Malham House (the consultant was previously Dr. Thompson). Andy's new telephone number is Leeds 3922683.

Phil Cawtheray - Some members may remember Phil who came on the occasional Group day trip in the late 80's. Phil died last month from a brain tumor - he was aged in his early forties.
