### WELCOME to the SUMMER EDITION

### SHOCK NEWS THE COMMUNITY CENTRE WILL BE MOVING

Earlier this month, HFSG members were informed that the community centre where they have met for the past 22 years will close in the next **9 to 12 months**. The good news is that a new Headingley Community Centre will be developed within the former Headingley Primary School just 200 yards round the corner on Bennet Lane. The new centre is to be called the **HEART CENTRE** – an abbreviation for Headingley Enterprise and Arts Centre. A number of HFSG members attended a meeting on the 14<sup>th</sup> of July to hear Gerry Burnham from the West North West Area Project Office explain the development being undertaken by Headingley Development Trust. All existing users of Headingley Community Centre will be offered a meeting space in the new Heart Centre and will have the same service level agreement as provided by Leeds City Council protected for the next 25 years. However, Leeds City Council will be introducing new letting charges in October and we will have to pay £5 per

hour (£10 per meeting) which will be transferred to the new Centre. As a result of these new charges, it is proposed that HFSG members will need to pay one pound when attending each Friday Group meeting plus a small donation (usually 20p) towards the cost of tea and biscuits.
